Cut Your ALFALFA

at the right maturity and before it becomes woody and loses a large part of its nutritive value. A

THOMAS CROWN TWO-SPEED MOWER

will cut it quicker and with a greater saving both in time and money than any other mower that has been discovered. The best improvements in mower building are found in the Thomas Crown Two-Speed Mower resulting in lightness of draft, ease of operation and simplicity of parts. It is made strong and heavy built to cut over high borders and big checks.
